Twist and Fit Rods

Twist & Fit

Easy as 1-2-3

This innovative, time saving rod requires no tools because it operates like a spring tension rod. Use the Twist & Fit with a 1" pocket curtain, sheer or valance. (Holds up to 5lbs. of weight. 2 1/2" projection).

Twist and Fit Rod

Clearance 2", Projection 2 1/2"

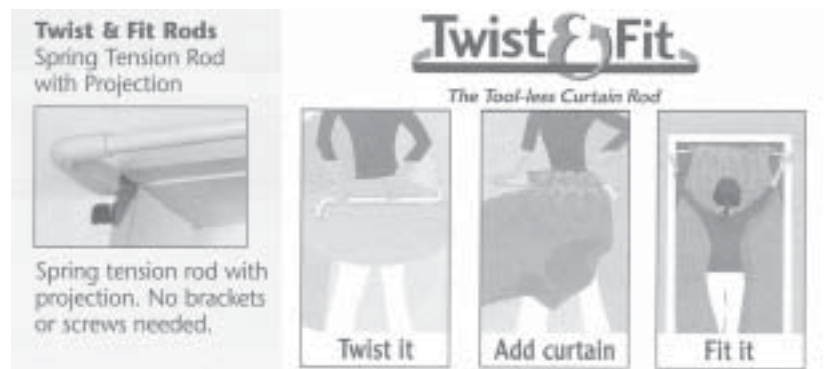

K 7300-025 18-28" White

K 7301-025 28 - 48" White

Directions for use.

1. **Expand the rod** to the width of the window opening plus 1/2" -1". (expand by twisting)
2. **Add curtain** - Remove the elbow (projection bracket), slide the curtain pocket onto the rod and then replace the elbow.
3. **Install into the Window Opening** - place one end into the window, then compress rod and place remaining end into the window opening.

(note : window depth must be at least 1/2" deep)
