

it1700™

it1700 - FIVE YEAR LIMITED WARRANTY

George N. Jackson Limited warrants to the original purchaser of **it1700** material for fixed awnings/or fixed supported structures that **it1700**, when properly installed as a component in a fixed awning/fixed supported structures, will remain in good condition for a minimum period of five years, without failure due to premature vinyl degradation or defect in manufacture subject to the following terms, provisions and conditions:

This warranty does not include consideration for normal color fading or normal stiffening of the vinyl membrane over time due to the effects of weathering and exposure to UV light. George N. Jackson Limited shall be the sole judge of what constitutes normal fading, discoloration or stiffening. This warranty is limited only to the replacement of fabric or credit of the cost of fabric, at our option.

In the event of **it1700**, fabric suffering failure, as defined in this warranty, during the first three years following the date of shipment, George N. Jackson Limited will supply sufficient duplicate **it1700**, material to replace, and in exchange for, the material which is deemed to have failed.

In the event of such failure during the fourth year following the date of shipment, George N. Jackson Limited will supply sufficient duplicate replacement of **it1700**, material at the then prevailing price, equal to a rebate of 40% of said price.

In the event of such failure during the fifth year following the date of shipment, George N. Jackson Limited will supply sufficient duplicate replacement of **it1700**, material at the then prevailing price, equal to a rebate of 20% of said price.

In addition to visual characteristics **it1700**, is also warranted to meet (within industry accepted tolerances) our stated product specifications in effect at the time of purchase and is free from defects in workmanship in manufacture.

Failure which can be attributed to abuse of the fabric, improper or faulty installation or to distortion of the framework or structure upon which the **it1700**, is mounted, is not covered by this warranty.

No rebate or replacement will be made for any **it1700**, subsequent to the five year period covered by this warranty, or at any time for damage resulting from negligence, vandalism, or chemically induced degradation.

The foregoing constitutes George N. Jackson Limited's sole warranty with respect to **it1700**, fixed awning/or cover material, and all other representation, warranties, guarantees or conditions, be they express, implied, or tacit, are hereby excluded. The liability of George N. Jackson Limited hereunder is limited to replacement and/or rebate as aforesaid and in no event shall George N. Jackson Limited be liable for consequential or special damages of any type whatsoever.

* Mildew grows on many surfaces. This PVC fabric is protected with biocides to inhibit the growth of many common micro organisms that cause rot and mildew. Clean this fabric semi-annually and/or as required with water and mild detergents suitable for PVC fabrics and/or disinfect with mild bleach and water (1 part household bleach per 100 parts water or 100 ml per 10 litres water) and finish with a fresh water rinse.
