

## Product Specification Sheet

### PATTERN: SUNTAINIUM

DESCRIPTION	SOLUTION DYED POLYESTER OXFORD
DENIER SIZE	600D x 600D
THREAD COUNT	48 x 30
WEIGHT (OZS/YD)	8.5
COATING	PU COATING
FINISHED WIDTH	59"
COLD CRACK	- 23° C

WATERPROOFNESS(WATER COLUMN TEST) 1000 MM

SURFACE ABRASIONASTM D 3884-92  
(TABER)(H-18 WHEELS, 1000G LOAD) AVERAGE NO. CYCLES PASSED: 572

BREAKING STRENGTH (1BF)ASTM D 5034-95 (GRAB)  
WARP 386.7  
FILL 237

TEARING STRENGTH (1BF)ASTM D 2262-83 (TONGUE)  
WARP 24.6  
FILL 17.3

COLOUR FASTNESS TO LIGHT  
SAMPLES WERE TESTED FOR A TOTAL OF 800 STANDARD HOURS

TEST METHOD AATCC TEST METHOD 16-2003, OPTION 3

ALL COLOURS	200 STD HRS CLASS 5	500 STD HRS CLASS 5	800 STD HRS CLASS 5

Terms and corresponding data refer to performance in the specific test indicated and should not be construed to imply the behaviour of this or any other material under actual conditions. This information is accurate to the best of our knowledge at the time of printing, but is not intended to relieve the user from its responsibility to comply with all procedures applicable to the safe use of this product.

## **Cleaning Instructions**

Proper care and cleaning is important to the life of all fabrics. Brush loose dirt and, twigs and leaves from the fabric.

For normal cleaning use a mild soap and luke warm water mix. Clean the fabric with a soft brush and rinse thoroughly with cold water and allow to air dry.

For stubborn stains a mixture of a maximum of 236 ml of bleach to 3.78 ltr of water. Spray it lightly onto the fabric “face” (non-coated side). Do not soak the fabric. Rinse immediately. Leaving harsh chemicals on the fabric can damaged the coating on the underside of the fabric.

After cleaning with harsh cleaners (such as bleach) the fabric should be treated to restore the water repellency. We recommend 303 High Tech Fabric Guard

## **Warranty**

George N. Jackson Limited warrants Suntainium for a period of three years. This limited warranty covers the fabric becoming unserviceable because of loss of colour or strength from normal usage and exposure conditions, including sunlight, mildew and atmospheric chemicals. The consumer is responsible for normal care and cleaning of the fabric and this warranty does not cover damaged caused by improper care and cleaning of the fabric.
